

The national day celebrates the history of Cowboys in America and recognizes the important work today's Cowboys are doing in the United States. The Cowboy Spirit is about honesty, integrity, courage, and patriotism, and Cowboys are models of strong character, sound family values, and good common sense.

Cowboys were some of the first men and women to settle in the American West and they continue to make important contributions to our economy, Western culture and my home State of Wyoming today. This year's resolution designates July 27, 2013, as the National Day of the American Cowboy. I hope my colleagues will join me in recognizing the important role Cowboys play in our country.
